

LARG

8th April 2014

In attendance

Patricia, Graham, Sharon, Seamus, Brian, Peter, Michael & Catherine

Apologies

Victor, Tom & Ann

Minutes of Last meeting were read by Patricia

Letter due to go to Roads Service and Council following our meeting with Mayor regarding outcome of meeting

Michael informed the group that towns including Dungannon are piloting a £1 fee for 5hrs parking for the next 6 months in an attempt to bring more shoppers into town centre.

Cookstown & Dungannon Access Website

Catherine gave the group an update on the progress with the site and upcoming questionnaires going out to businesses

Peter identified the slip issue on footpaths in Omagh around the bins/display cones where the sweepers obviously cannot reach to clean properly.

Patricia suggested we request a meeting with Roads service to discuss and Peter suggested an invite to the cleansing department would also be beneficial.

Catherine to have a chat with Mark from Shop mobility regarding access into shops for people with scooters.

PPI Event 16th April

It was agreed we would take Willowbank pop up banner to the meeting and look at producing leaflets for LARG as well including

profiles of the members. We could bring Laptop and put our website up for viewing.

SROI Evaluation

Ruth Walker will be here on 6th May and is keen to speak to some people who have been involved in BIG Lottery work to help identify the difference this has made.

Confidence & Assertiveness

This will run on a Wednesday morning for four ½ days with date to be confirmed when the Advocacy course is completed. This will be advertised outside for anyone else who may be interested.

Next Meeting 13th May at 10.45am
